Dear Liz

On behalf of BIADS, I want to thank you and everyone from the Cawthorne Choral Society for your kind donation of £500.00 which we recently received from your collection at your summer concert 2023. Your support means the world to everyone here at BIADS.

If you would like any further information about BIADS please telephone, email or visit our website. Once again thank you for your financial support which will help to ensure that "no one should go through dementia alone" in Barnsley.

Yours sincerely

L Bligh
