Dear friends

On behalf of our patients and their loved ones, thank you for your very kind donation of **£481.00** received on 4th December 2021 by hospice trustee Mr John Pitt.

We are delighted that you chose to support the Hospice in this way by donating the proceeds of your **Christmas Concert and raffle**.

As you may know, the Hospice has been helping local people for over 25 years and during this time our work has touched thousands of lives. We are proud to have received the unstinting support of Barnsley people, as it helps us to continue to provide specialist, compassionate care around the clock every day of the year.

At present we need to raise over £2 million each year to cover our day to day running costs. We therefore rely heavily on public and corporate donations, legacies and grant-funding plus income from fundraising events and our charity Retail Hub.

The Hospice's core values of *Comfort, Care & Dignity* are at the heart of our patient-focused service. Your much-needed donation will help us to continue to make a real difference to local people, including all those little extras which make our care so special.

Once again please accept our warmest thanks.

Yours sincerely
